# GOAL-DIRECTED SUMMER IDEAS

This year, we worked on this goal

*Making social inferences, adding on a three point response to conversations.*

## IDEAS FOR SUMMER:

*Boom Cards Social Inferences. (add hyperlink). Tell your mom about two inferences you made and what evidence you had for them.*

## IDEAS FOR SUMMER:

*Practice adding one three point response to a conversation with your mom every day. Remember: three point responses do three things: contribute, maintain and make personal connections.*
